The gateway to the Funk Zone! Margerum's new tasting room features a balanced mix of highly-rated wines in a quintessential Santa Barbara Spanish Moorish architectural setting. With an eclectic design style centered around an expansive bar, the tasting room will serve an ever-changing menu highlighting Rhône varietals, Sauvignon Blanc, and Rosé. Enjoy a glass of wine and a cheese and charcuterie board while sitting on the second-floor mezzanine or on the beautiful outdoor heated patio, both of which can be transformed into private spaces for a variety of events.

BARDEN WINES are made exclusively from grapes grown in the Sta. Rita Hill AVA, focusing on Burgundian varietals and cold climate Rhône varietals. BARDEN is Doug Margerum's dream to create the ultimate expression of Santa Barbara County grapes. Along with Doug's access to the top vineyards coupled with the philosophy and knowledge he's gained with over thirty years in the wine business, allows BARDEN to craft world-class, small production wines.
